I need a sign I can see!

We've got that.

Our LED signs are guaranteed readable in direct sunlight and maintenance free. They help your drive-thru lanes stand out so motorists can easily see what services are available and which lanes are open.

We offer a wide selection of signs with traditional messages or we can customize them to reflect your brand or service.

If you're looking to upgrade your drive-thru and get your signs fast, consider our stock signs that can ship out the same day they are ordered – almost 100 to choose from.

LANE #2

OPEN

OPEN
7"h x 18"w x 2½"d
ID#: 5868 (120-277VAC)
ID#: 33919 (12-24VDC)

Our signs are:

- Controlled by software, switch or dry contact relay
- Available in 120-277VAC or 12-24VDC
- Backed by an industry leading warranty

Did you know...?

We have a library of tens of thousands of custom messages specific to customers just like you.

Say what you want, say what you need!

My lanes are multi-functional!

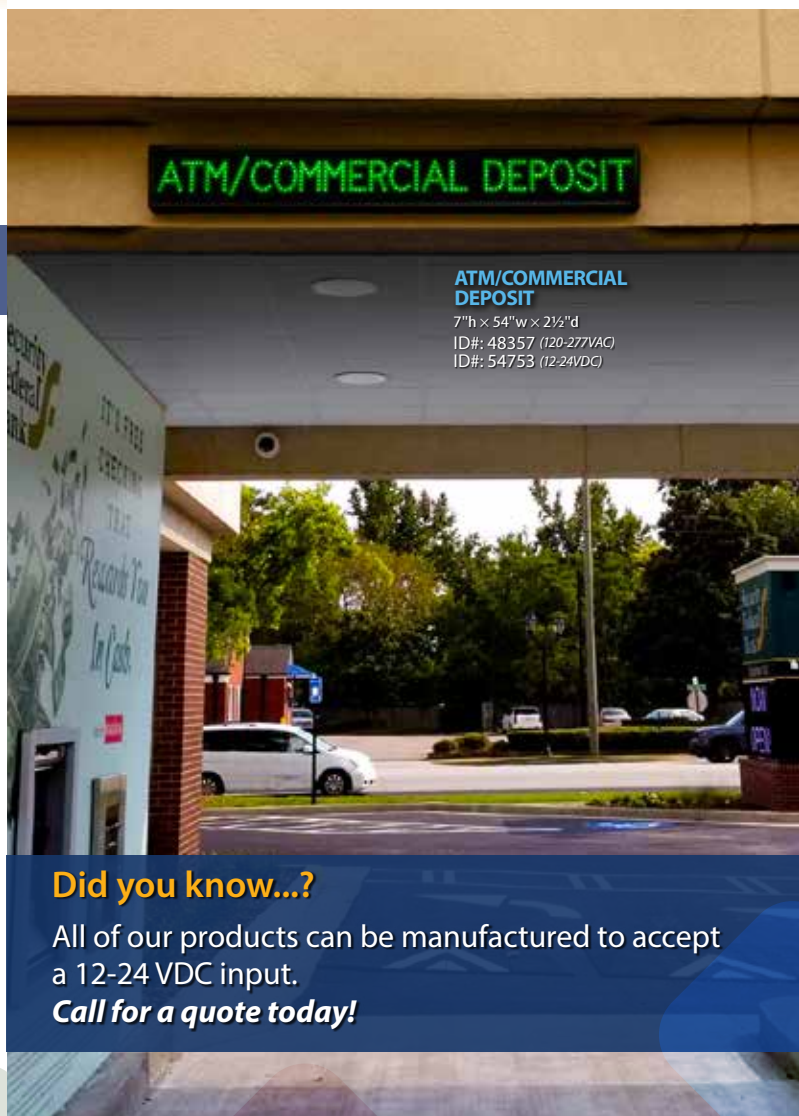

We have you covered.

Direct motorists to an open pickup window or teller lane using our eco-friendly LED signs.

Change lane status or available services with the flick of a switch.

Choose a sign with multiple messages to give you the flexibility to change the flow of traffic or services available at any time.

Use your sign to effectively communicate to motorist in your drive-thru and keep customers moving quickly.

TCIL Series LED Signals

Designed for directing traffic easily and without confusion. Our TCIL series signals have a user serviceable light source and can be customized by LED color and flashing effects.

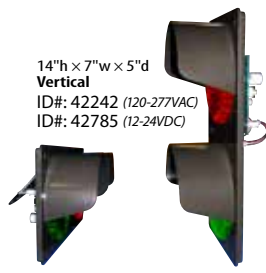

Available in:

- Horizontal or vertical orientations
- Post or surface mount
- 120-277VAC or 12-24VDC

But I need a different message!

No problem.

Let us help you create a sign that fits your specific needs. Choose your LED color, paint color, cabinet size, and even pick to have us print your custom logo or graphic. Add a flasher, strobe, audible alarm or wall switch to enhance your sign.

Our custom signs are built with the same level of quality and efficiency as our stock signs and best of all there is ***no minimum*** order quantity.

All of our signs are engineered, and assembled in Erie, PA, so we can build each sign to order and are able to ship custom signs in two weeks or less.
